

**INTRODUCING
THE NEW RECYCLERS
BOARD GAME!**

4

You'll also receive a board game that can be played by individual students or by teams of students to help them stay connected to the Recyclers program over the entire school year.

**FREE
THEFT-RESISTANT
BINS!**

5

Collecting is easy with our branded in-school bins and our large exterior bins. These bins are a secure way to collect all of your school's recyclable beverage containers!

**PARTICIPATION IS
REWARDING**

Once your school is signed up, you will be eligible to take part in our updated Rewards and Recognition program where your school can win even more funding and prizes. You'll find out about how easy it is to participate in this rewarding initiative on your program introduction sheet.

BELOW: Your students and your school can win cash prizes and recognition awards that will keep the positive energy flowing!

**THE
RECYCLERS
WANT YOU!**

Sign up today and help us create a new generation of recyclers. Visit: www.albertadepot.ca for more information.

DID YOU KNOW?

CONTAINERS 1L
OR LESS IN SIZE

10¢

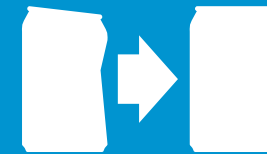

CONTAINERS
OVER 1L IN SIZE

25¢

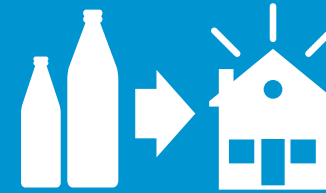

**HOW ARE
THEY REUSED?**

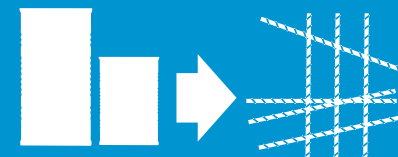

Aluminum cans become new aluminum cans.

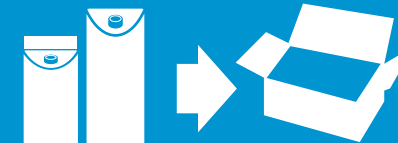

Plastic containers become new plastic containers or plastic products.

Glass containers are used in fiberglass insulation.

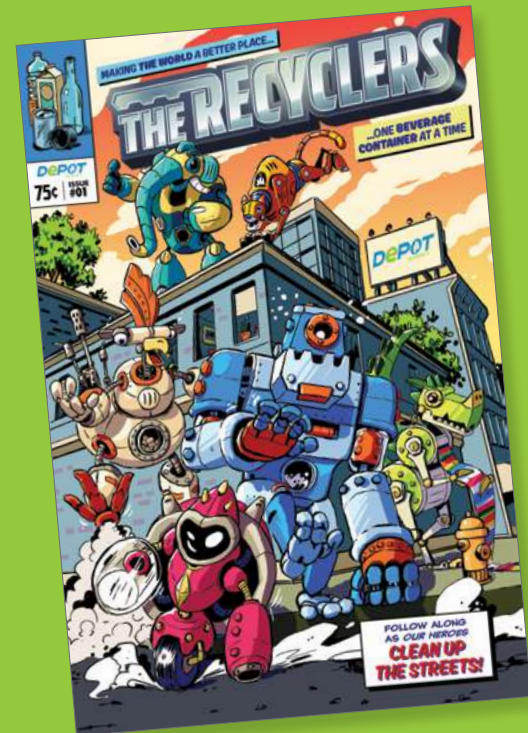

Metal containers are used as scrap metal that becomes construction rebar.

Polycoat, juice and milk cartons are converted to paper pulp and cardboard.

**BRING THE
RECYCLERS
TO YOUR
SCHOOL!**

DEPOT
It's Worth It

MAKING THE WORLD
A BETTER PLACE
 ONE BEVERAGE
 CONTAINER AT A TIME

We invite you to bring The Recyclers to your school and become part of one of the most popular and successful beverage container recycling programs ever designed for students!

When you sign up for this FREE program you'll be able to show your Grade 4 students how recycling beverage containers has a positive impact on waste management and the environment.

The Recyclers program will support and assist you as your students raise money for your school's fundraising initiatives, and they'll have a whole lot of fun along the way!

They'll learn about the types of new products that are made from recycled beverage containers. They'll also learn about the benefits of recycling and will be rewarded with lots of cool swag to help them maintain their active participation in this unique recycling program.

NEW!
 TEACHING AIDS AND
 FUN GIVEAWAYS

1

The Recyclers program includes a teachers' toolkit, with a poster that announces the arrival of The Recyclers. Then you decide when to begin the program and present your class with an online, 10 minute video that's accessible anytime.

ABOVE: Recyclers program introduction poster for your classroom.

LEFT & BELOW: Animated 10 minute Recyclers introduction video.

This custom made Recyclers display and game is yours to keep in your classroom.

2

The fun continues with a combination learning game and Recyclers display that you can keep in your classroom.

This custom designed game helps your students get to know our six Recycle-Bots and the different types of beverage containers that they recycle.

"I AM STILL AMAZED AT HOW WELL IT ALL FIT INTO OUR CURRICULUM, IT WAS SO EXCELLENT!"

3

After your students have had the opportunity to become part of the Recyclers team, they will each receive a swag bag filled with program themed prizes and a copy of the collectible Recyclers comic book.

This comic continues the adventures of Hydro, Crash, Smelter, Rebar, Shredder and Crystal as they work with their young teams to clean up the streets!
